Annual Soup Kitchen Raises More Than \$800

FORT WORTH, Texas – Students, faculty and staff took a break from the hectic pace of the last week of fall classes to enjoy a meal of homemade soups and provided means for others to have a hot meal in the future while doing so.

The Christian Legal Society of Texas Wesleyan University School of Law hosted its annual soup kitchen on Nov. 19. For \$5, attendees enjoyed a variety of homemade soups, plus bread and desserts. Proceeds from the event will benefit the Presbyterian Night Shelter.

The soup kitchen was held during lunch and dinner hours, allowing day and night students to enjoy a homemade meal and support the cause.
